OFFER & AGREEMENT
27 October 2026

Stop losing jobs to missed calls. Two months free.

For: Logan Parker, PKR Climate Services Pty Ltd
From: Hugh Douglas, Volve Solutions (sole trader), Picton NSW · (02) 5700 0037 · volvesolutions.com.au

G'day Logan. You're running PKR on your own and quoting about 5 jobs a week, but around 5 enquiries a week are slipping through. At $5–10k a job, that adds up fast. Here's what I'll set up so you catch more of those calls, quote more, and waste less time on tyre-kickers.

WHAT'S INCLUDED

Missed-call text-back
If you can't answer, the caller gets a text straight away from your own PKR number (set up with call forwarding), so they don't ring the next bloke.

Elle, your AI receptionist
Answers your overflow calls, asks your screening questions (job type, home or commercial, suburb, timing) and texts you a short summary.

Automatic enquiry log
Every enquiry goes into a Google Sheet on its own, plus a weekly summary text so you can see what's coming in.

Quote follow-ups
Friendly follow-up texts go out at day 3 and day 7 after you send a quote, so fewer quotes go cold.

THE DEAL

SETUP	MONTHS 1–2	AFTER THAT
FREE	**FREE**	**$349/month**
I set it all up and test it with you.	I cover Twilio and all other running costs.	Plus GST if applicable. Kept running and maintained. Month to month, cancel any time.

Trial start (setup date): ___ / ___ / _____ **Trial end (2 months later):** ___ / ___ / _____

At the end of the trial we'll sit down together and go through your enquiry numbers. Then you decide whether to keep it running. Nothing is charged during the trial.

YOUR PART

- **Turn on call forwarding** to your PKR number (I'll walk you through it).
- **A 20-minute setup call** so I can set Elle up the way you work.
- **Honest feedback** on what's working and what isn't.
- **If you're happy,** a short testimonial or review.

NOT INCLUDED (OPTIONAL ADD-ONS LATER)

- **Job software link-up** with ServiceM8, Tradify or simPRO.
- **Quote request form** for your website.
- **Review requests** sent to happy customers after the job.

These are paid extras, priced separately and only if you want them.

THE FINE PRINT (IN PLAIN ENGLISH)

- **Your data is yours.** Your customer details and enquiry log belong to PKR. I only use them to run this for you, and if you stop I'll hand over a copy.
- **No lock-in.** Either of us can stop at any time, during the trial or after, by letting the other know. No exit fees.
- **Your number stays yours.** Turn off call forwarding and your phone goes straight back to how it was.
- **Changes.** I keep the included items running and fixed. Anything new gets quoted first, and nothing is charged without your OK.
